Term 2, Week 5

Principal: Darren White

Principal's Report

Well Done Liam at NSW PSSA State AFL Championships.

Liam Sutton was in Sydney last week playing with the Riverina AFL team that competed in the NSW State PSSA AFL Championships. This event brought together the best primary school AFL players in the state for 3 challenging days of AFL. Liam had a wonderful experience and a successful time with his team and playing some great football. Well done Liam we are very proud of your achievements.

District Cross-Country

We will be sending a team of 32 students to compete at the Finley Zone Cross-Country at Urana on Friday 31st May. The runners will be leaving the school by bus at 8:15am so they have enough time to walk the course prior to the race. Notes have been sent home informing the children who have qualified. They need to be returned ASAP. Thank you. Good Luck to all of our runners.

New Court Surface

Last week we laid down a new basketball / netball synthetic surface over our existing court. The children have been making full use of the court and are enjoying its lovely new look. We are in the process of ordering new reversible basketball/netball posts and nets. These should be installed over the next couple of weeks.

Old Goal Posts / Metal available

Due to our basketball court upgrade we have removed our current posts (thanks to Scott Eddy cutting them down for us). We are offering them to anyone who might like them for free. You may like them as goal posts or you may like to utilise the steel for another purpose. Just let the office know if you are interested. Removal will be your responsibility.

Tissues

Each year as we enter into the cooler months, we find the demand on our tissue resources very high. Each year we ask each class member to supply a box of tissues to the class to help with the drawbacks of the winter months. Many students have already started bringing in their class tissues and we thank them for their promptness. Students are to hand their box of tissues to their own class teacher.

SRC Report-Term 2, Week 2

The next SRC awareness day will be on Tuesday 4th June.

We will be encouraging all students to flip a piece of clothing and wear inside out for the day and pledge to value themselves from the inside not the outside.

This day will help students understand that our bodies are to be valued not just for their appearance, but also the amazing things our bodies allow us to do.

More information on this day will be given at our next assembly.

Yesterday Dion Drummond an Indigenous man came to our school to perform for our students. Dion comes from Cairns and is both Aboriginal and a Torres Strait Islander. Dion's performance was both informative and humorous with lots of participation from both students and staff. The students were instructed on how to perform various dance sequences as well as how to pronounce various indigenous words. Dion brought lots of artefacts for the students to see and gave a fabulous demonstration of how various boomerangs fly through the air, the students were engaged from start to finish.
